Planning application 160238 Land at Ledbury Road on the border of Wellington Heath and Beggars Ash, proposed Traveller Site

Dear Sir,

Wellington Heath Parish Councillors have become aware of additional information since making our original representation.

Planning appeal judgement 3007927 is highly relevant since the circumstances of the 2 applications are similar.

Since we made our initial submission it has been suggested to us that recent policy guidance excludes the applicants from the definition of travellers. This is confirmed by appeal judgement 3007927. There is no need to repeat the details which are more than adequately set out in the submission already on your web site from Gordon Kirk.

The landscape assessment referred to in our original submission has now been published. <https://sites.google.com/site/whnpwg/parish-briefing-consultation-event-19-march-2016>.

C F Rozelaar
Chair of Wellington Heath parish council planning committee
