To HCC Planning Gemma Webster  
Copy Ward Councillor E P J Harvey

Planning application 180227 – Conversion of outbuilding at Priors Court, Staplow

Dear Madam,

Wellington Heath Parish Councillors are not opposed to this planning application, however Priors Court is listed and we seek assurance that the proposed external stairs will not detract from the distinctive character and setting.

The drawing may be showing a cantilever supported staircase design (no external support legs) in metal, of light appearance and this may be very suitable, however the colour would be important (not shown) and should integrate with the landscape and building, an industrial / fire escape appearance should be avoided. More traditional timber stairs may also work well.

C F Rozelaar  
Chair of Wellington Heath parish council planning committee
